Sub: implementation of 'Bhavishya' pension module and training thereof to Assistant Administrative Officers and Office Superintendents posted all over India-reg.

Respected Sir,

As you are aware, the "Bhavishya" module for processing the pension case has been implemented in central government offices by the Government of India including in CPWD. The Assistant Administrative Officers posted in CPWD who are already declared as Head of Office have been assigned the duties of Drawing and Disbursing Officer for the purpose of this module also. The Pension module "Bhavishya" implemented in CPWD from March 2016 without much training and the AAOs and OS are facing problems in processing the pension cases.

It is also learnt that the authorized agency in Agartala for conducting training of 'Bhavishya' is unaware of the any such training on "Bhavishya." module.

We are receiving several requests from the members to intervene in the matter for early conducting of the training on "Bhavishya" module. It is also informed that participation level of training programmes at the National CPWD Academy is EEs and AEs only, where as the implementing staff i.e. AAOs and OS are not getting proper training. As the AAOs and OS are dealing pension cases at primary stage of submission, it is necessary that they may be given proper training immediately to avoid delay in finalization of pension cases as well as to avoid the growing pension public grievance cases.

It has also been observed that the training calendar issued for northern region, only one day training programme on 'Bhavisha' has been scheduled on 9-8-2017 and the participation level of AAO., OS and UDC is not sufficient keeping in view of the strength of the northern region.
