Sub: Expression of Interest(Eol) "**Working and Re-organisation of the CPWD.**"

Revered Sir,

With reference to above, recently Ministry of Urban Development has called for Expression of Interest (Eol) from various consultancy agencies and experts to study and submit recommendations on "**Working and Re-organisation of the CPWD.**" From the advertisement of Eol and its scope of work place therein, it can be understood that MoUD is inclined to go for major overhauling in establishment and working of the CPWD.

The CPWD is 162 years old department and almost all the State Government Public Work Departments and other Engineering departments throughout the country follow the system of working of CPWD. Therefore recommendations of consulting agency shall affect each and every individual employee/officer of CPWD and department as a whole. Thus, it would be appreciated that study should be comprehensive and recommendations should be made with holistic approach considering practical aspects also. Under the prevailing circumstances this Association feels that the inputs from all the stake holders including this recognized Association should be invited while deciding future course of action on this issue.

In this context, this Association demands that a detailed review meeting on the long pending issues raised by this Association and also on the move of MoUD should be held at the earliest as per convenience of your good self.

Thanking you and with regards.

Yours faithfully,

Ravi Kumar Bhatnagar
General Secretary
